Roses for New England

Mike & Angela Chute, Rose Solutions

Roses of New England is a special presentation for every rose lover who wants to grow hard, healthy, and disease resistant roses in the home gardens. This program specifically addresses the merits and challenges of rose gardening in New England.

Novice rose gardeners will find everything they need to know to successfully grow roses and experienced gardeners will utilize this program as a ready reference to enable them to grow better roses.

Mie and Angelina's book, Roses for New England: A Guide to Sustainable Rose Gardening,

is the companion reference for this program
